Her pleasing personality helps make the class more interesting.

Among her many hobbies is reading.

As sponsor of the Thespian Club, she goes out of her way to make the club a success.

Dedication

MISS RUTH MACOM

We pay tribute to one who has served our school in many capacities . . . as a play director, as a dedicated teacher, and as a genuine friend to her students. She teaches her students with words of encouragement and wisdom giving us ideals and inspiring us to attain our goals. As our class of 1966 receives diplomas, we are not able to express our gratitude to a teacher whose dedication has far exceeded that of an ordinary teacher. And so with pleasure and appreciation we dedicate the 1966 PEAK to MISS RUTH MACOM.

Many problems and happy moments have taken place in our lives since the first day of this year. But as the year soon ends we can look back and see the guidance and help our principal and teachers have given us. They helped us over the rough spots, helped us with our many problems, and shared in our happy moments. The events this year at Tazewell High School will be memories to be cherished by all. Whatever has been achieved by us, we know that we owe much of the credit to our principal and teachers. To our principal and teachers—
This is your year.

Administration

Mr. Claude Van Dyke
Chairman of the School Board

Not long ago, I came across an old legend of an Eastern Monarch who stepped on a thorn while leading his army into Turkestan. In a great fury he summoned his counselors, and commanded that they cover the whole earth with leather, so that he would never again injure his foot.

After long deliberation, the counselors (probably in fear and trembling) returned to him and reported: "Your Majesty, we deeply regret that there is not enough leather in all the world to carry out your command; nor were the leather available would you have sufficient money to buy it; nor were we able to secure the leather would we be able to keep it in place. But, your Majesty, if you will cover your own feet with leather, wherever you go you will be protected, and no thorn can prick you."

How blind this head-strong monarch was, and how immature his ideas! We are all infantile and incapable, until wiser counselors guide us into knowledge and into the larger world well shod. We cannot attempt to remove the world's thorns, but we do want to see to it that your feet are covered.

Five years ago we wondered if we would ever be seniors. Now we are at the end of this senior year road and we look back with mingled thoughts--some are satisfied, some wish they had done better. However, the future is before us and we must face it. When we become discouraged, we shall look back at our defeats and triumphs--they should encourage us.

In 1961, we entered Tazewell High School as eighth graders. The change was quite different from what we previously had been use to. With the passing of weeks, we no longer wandered in the halls with an inquiring look on our faces. Instead, we gained confidence and organized a spirited class.

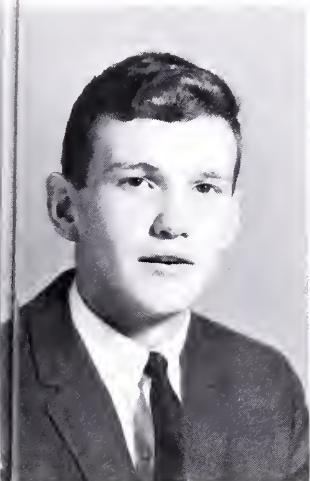

Under the guidance of Mrs. DeMarcy Payne, we held our first class meeting during which our officers were elected. They were Darrell Jessee, Linda VanDyke, Ronald

JUNIORS

This year, with great pride and honor, we returned to Tazewell High School with the name of "Juniors" bestowed upon us. This spectacular year, filled with thrilling events is the last step before we reach the goal of becoming "Seniors."

At the beginning of the 1965-66 school year we looked forward to the work that lay ahead in the months to come. As homecoming approached we chose two attendants to represent our class.

Because we had worked very hard to accomplish the work of two six weeks, we all looked forward to the Thanksgiving holidays. Just as we were getting rested we had to return to more work and play.

SOPHOMORES

In the fall of 1965 we entered Tazewell High School, with eager anticipation, as Sophomores. Even though it was still hard for us to believe, we began the hard work that would eventually make us Juniors.

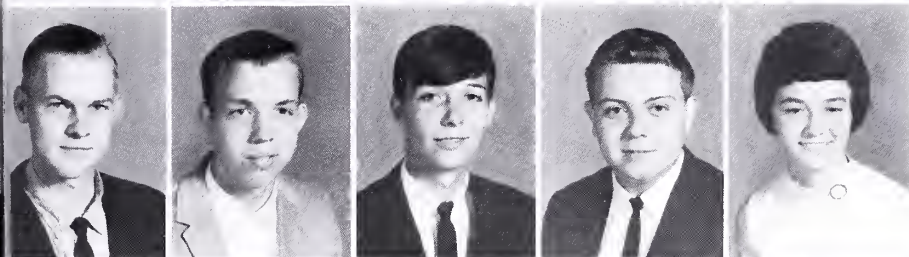

At the end of last year we elected Cherry Harman to represent us as treasurer of S.C.A. She was elected because of her excellent ability. Now, she has served us to the best of her capability.

In October we faced the responsibility of choosing a representative for Homecoming Court. For this we chose Marty VanDyke who was escorted by Bill Brown.

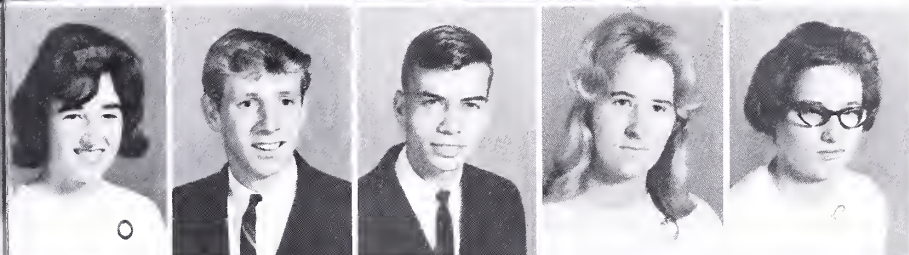

In November it was our duty to choose the Best Sophomores. The possibilities were many, but we finally cast our ballot. Betty Edwards and Bill Brown were chosen.

In December we were given a few days off for Christmas. When we returned we began the long hard work for preparing our talent show. The day finally arrived. Many of our classmates participated. They had all worked hard to present a talent show which could be enjoyed by all who attended.

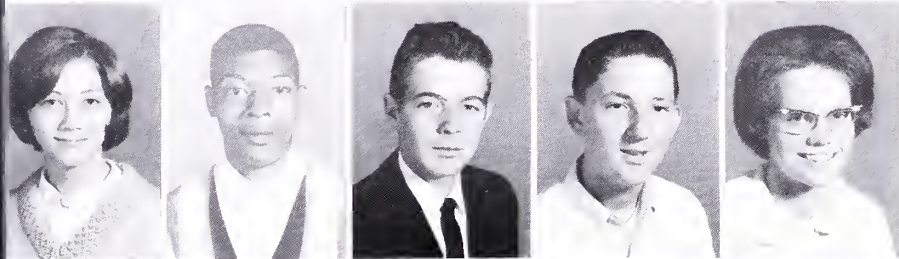

The arrival of Spring brought also to our attention May Day. Each homeroom nominated and elected the two girls of their choice. In the May Court were the two lovely representatives of the Sophomore class.

The members of the Sophomore class attended many class meetings. Each class brought us closer to the day when we would become Juniors. The class President always brought to our attention new and interesting activities.

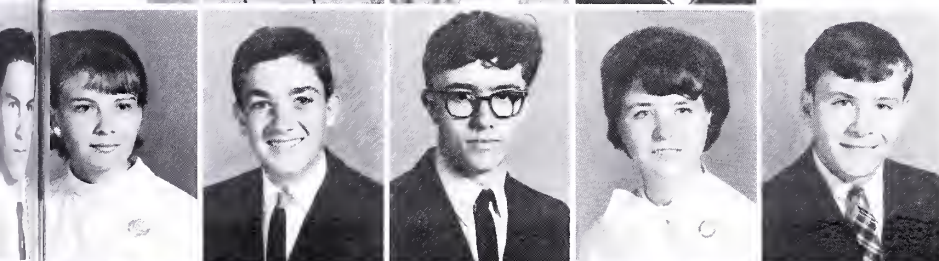

We attended our last class party at the end of the year. The party was a very festive and exciting affair. Even though we all had fun, the big event in our school years will be the Junior-Senior Prom. Next year it will be our responsibility to sponsor the Prom. We are all looking forward to next year.

In June of 1966, we officially became Juniors. Our Sophomore year had been a very memorable experience. Each member of the class thoroughly enjoyed all the activities of their class.

Now each member looks forward to the Fall, when we will return to begin our Junior year. As we have looked forward to our Junior year, our big aim next year will be the day when we will become Seniors.

FRESHMEN

With eager anticipation, curiosity and pride, we the Freshman Class entered our first year at Tazewell High School. We participated in many extra-curricular activities, as well as, the various phases of learning. New friends were made and old acquaintances were renewed.

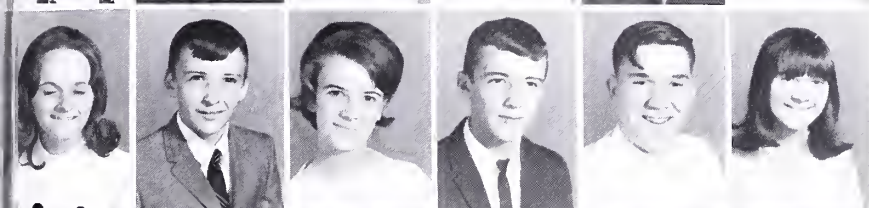

To start the year off, class officers were elected to serve us throughout the coming year. Those elected were Grat Atkinson, President; Karen Monk, Vice-President; Donald Pruett, Treasurer; and Ricki Johnson, Secretary. The responsibility was accepted with much pride and gratitude. We also were proud of the wise choices we had made.

Hey you! Get off my back!

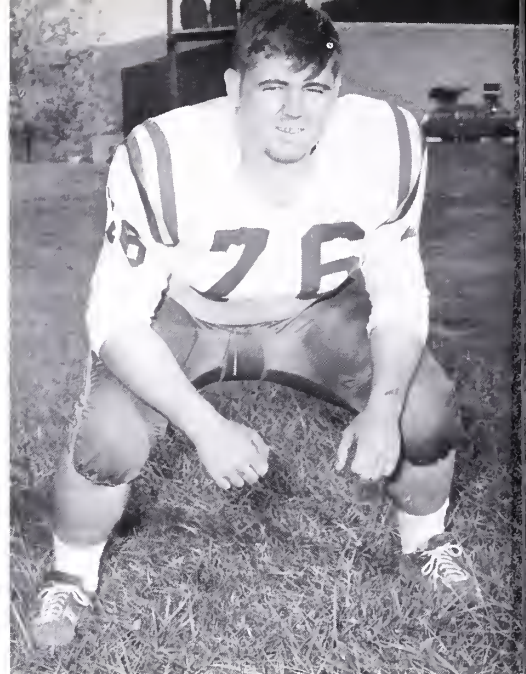

After a blazing start in which the Tazewell Bulldogs slayed the Garden Green Dragons 38 to 12, they suffered a six game losing streak. The students this year, however, have shown great enthusiasm and more team support than in previous years. With this unyielding support, the team responded with excellent team effort defeating its last three opponents. Thus, going out in a blaze of glory.

Wrestling

Thirty straight wins . . . undefeated in the Southwest District for three straight years . . . were only a few of the praises heaped upon the wrestling team of Coach Jay Lockhart. Buddy Young, Roscoe Lester, and J. D. Payne completed the year with a perfect slate-undefeated. These three had a combined total of forty-two wins and no losses. Only through hard work by the team and good coaching could a team compile such a record. There is no substitute for winning and T. H. S. is proud of her Bulldogs.

What kind of a deal is this?

The Tazewell Bulldogs led by the high-scoring of Greg Cochran and Leon Yost, the nifty ball-handling of Danny Sizemore, Lou Perry, and Steve Mock won many decisive victories. No team can consistently win without its substitutes, Jimmy Campbell, Wallace Taylor, Ronald Monk, Mike Harris, Gary Moore, Calvin Alford, Larry Payne and Mike Hymes were on the bench in time of need. Sports in Action

Our year was not filled with hard work entirely, but with many various activities throughout the year. They consisted of Tuesday club meetings, Friday assembly programs, riotous pep rallies, fun-filled club initiations, and dreamy dances. To all participants in the 1965-66 activities—this is your year.

Annual Staff

Together with a sincere, dedicated sponsor, Mrs. Simpson, the ten members of the annual staff work diligently through four seemingly endless deadlines. They put forth their best efforts so that the students would have a remembrance of the year 1965-66. The staff endured complaints and delays but came through in the end to meet their deadlines and publish what they think is an excellent annual.

Typing chores seemed endless. Sue types as Roscoe calls the names for a page.

Student Cooperative Association

This year has really been a year of change and improvement. Tazewell High School has been the scene of many changes for the past several years, and through many different S.C.A.'s. However, I feel that this year will be one which will stand out in the minds of the students due to the thought given to the selection of their representatives. Good representatives are vitally important to a hard working, worth-while organization as they determine the successes and failures of any project undertaken. The students of Tazewell High School, each member of the Student Cooperative Association, should be proud of themselves as well as their representatives, for taking such interest and putting much hard work into the many projects attempted and achieved by this year's S.C.A. I must give to all these students who cooperated with me and the other officers in every way, all the credit and all my thanks. Without those students who are always willing to give their time and effort to help our school, nothing could have been accomplished. I sincerely hope that future Student Councils at T.H.S. will have the wonderful representatives and members of the student body like I have been fortunate enough to work with.

Judy Palmer

The S.C.A. is the governing body of the school, but the council is made up of the presiding officers and homeroom and club representatives. Carl Riley was caught by the cameraman when he was giving a report to his homeroom.

National Honor Society

The Tazewell Chapter of the National Honor Society was organized under the sponsorship of the Beta Club in 1959. Membership in the chapter is gained by election of a faculty committee who choose the members from candidates who have maintained a B average in Scholarship, and in addition meet certain standards in Character, Leadership, and Service.

In service to the school, the National Honor Society gives a scholarship to a worthy graduating senior, compiles and publishes the Honor Roll and writes letters of appreciation in behalf of the school.

The club visited Washington in the spring.

Other points of interest were also visited.

The purpose of the Junior Honor Society is to promote qualities of scholarship, leadership, and character.

The T.H.S. organization was formed in the school year of 1959-60 under the direction of Mrs. J. R. Hurt. Since then, the Junior Honor Society has contributed to various projects.

"Small in number--Great in Spirit", This could well describe the T. H. S. Band of 1966. The band played during all of the football games--although they were not able to march. After football season the band made its first appearance as a marching band in the Jaycee Christmas Parade. Later, the band appeared at the District Band Festival at Gate City. In the winter, Tazewell was represented at the All-State-Workshop Band by three out-standing band students -----Linda Collier, Era Lowman, and June Poskas.

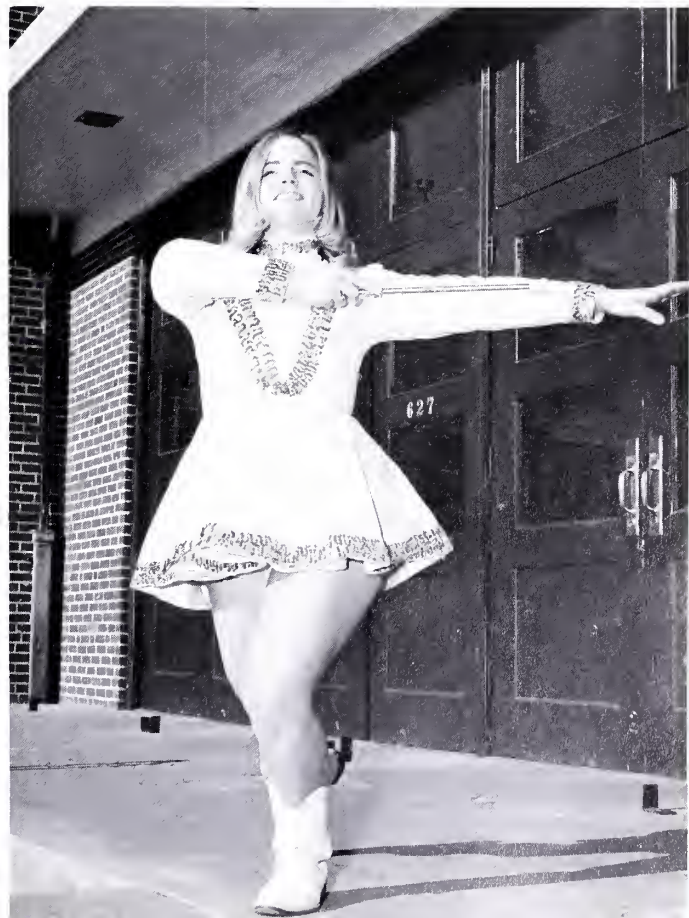

The Band has practiced many hard hours this past year, and they are to be congratulated for their achievements.

Double, double toil and trouble; Fire burn and cauldron bubble!

Cheerleading proves to be a tiring job.

Once again this hard working group of worthy students took great pride in their work of publishing the school paper. As each deadline approached, they worked harder and harder to meet it. They always came through at the last minute, though. As this year comes to a close and the last paper is published, everyone looks forward to the coming year.

The one aim of the Quill and Scroll is to promote high school journalism. The members strive to accomplish this goal. Through the publication of the school paper they do their best to meet the goal.

Thespian Troupe 1431 was granted a charter on February 7, 1958. At that time, there were fourteen charter members under the directorship of Mr. H. G. Crouch. Its purpose is to advance the standards of excellence in dramatic arts. Moreover, students develop poise and self-control as well as a mastery of the language. In this way, an appreciation of dramatic literature and its techniques is founded.

Today with the invaluable aid of Miss Ruth Macom, the troupe presents one-act plays for the school and encourages interest in the district, state, and other dramatic festivals.

Future Homemakers of America

This table setting shows the work of the F.H.A. girls.

The Tazewell High Future Homemaker's first responsibility is furnishing nurses for the school infirmary. Throughout the year several coffees are given for the teachers with future homemakers serving as hostesses. The girls strive to improve personal, family, and community living. This year, individuality and planning for the future was stressed. But all is not work. Each year there is a Christmas party, a trip to the skating rink, a Valentines buffet and a banquet in the spring with the Future Farmers of America to encourage participation in group activities.

The F. T. A. was organized in 1953 as the Susan B. Anthony Club of the Future Teachers of America of our school. The club's main purpose is to learn about the teaching profession, its opportunities, responsibilities, and its important role in democracy. They try to cultivate the qualities of personality, character and leadership which are essential for good teachers.

Recently, the F. T. A. sponsored a project to enlarge the trophy case. The members serve as guides at teacher's meetings and help teachers in many other ways.

Members are responsible for some of the attractive bulletin boards in the school.

F.B.L.A.

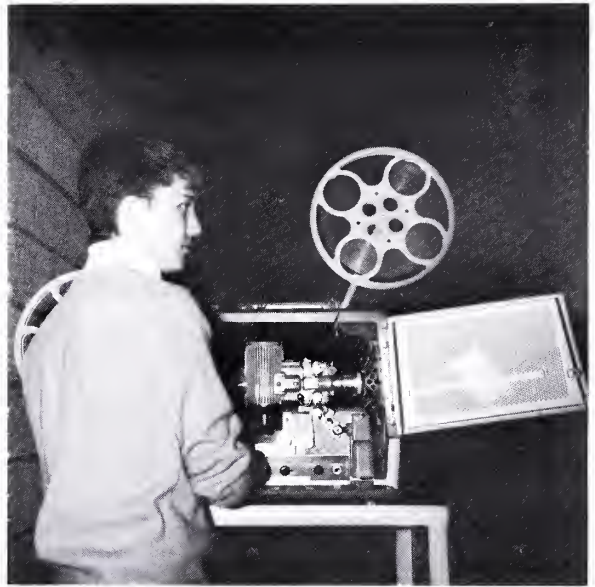

The F.B.L.A. meets to discuss their plans for the year.

The F.B.L.A. has been an active club of Tazewell High School for several years. The first F.B.L.A. club was set up at the old high school building. After a period of inactivity, the club was reinstated by Mr. Carrol Boswell. The club sold candy last year to raise money for a trip to go to Radford College for a tour. For the club's project the club has bought something for the business department almost every year.

The Projector Club was organized at Tazewell High School by Mr. Everett Cromer. This club offers membership to any boy who wishes to learn proper techniques in audio-visual aids.

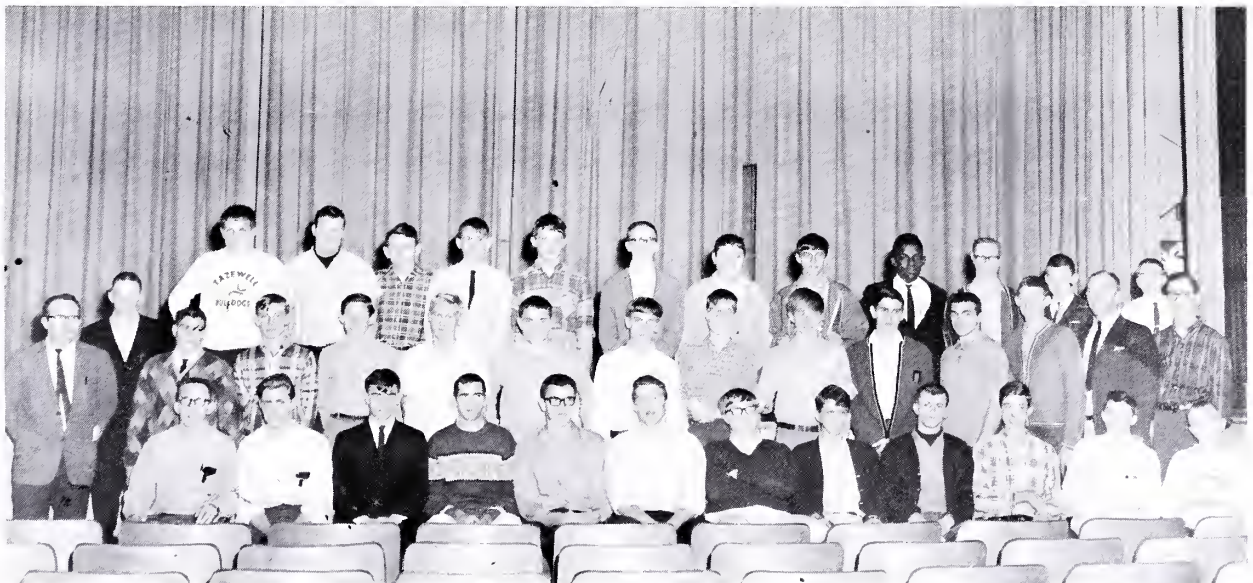

After a student has learned to operate a projector efficiently, he may be called on at any time to show films in a classroom. In service to the school, the Projector Club ranks among the highest.

Future Farmers of America

The aim of the F.F.A. is to improve livestock and crop production. They also organized conservation work with soil, trees, protection of wild life, and the prevention of forest fires. This is the Year that you lived up to your motto:

Learning to Do
Doing to Learn
Earning to Live
Living to Serve

Stagecraft

One of their many settings.

The stagecraft class is responsible for the upkeep of the auditorium. The boys assist in stage settings, props, and sound effects and at least one boy must be present while the auditorium is in use. The stagecraft boys are to be commended for their fine work during the year.

Left to right: Miss Nancy Ward, Miss Geraldine Hill, Mrs. Polly Hagy, Mr. Joe Henry Bowen.

Guidance

Without the understanding and guiding hands of Mrs. Hagy and her staff, the students needing direction now in planning for the future would be lost.

Many students need careful guidance in preparing their schedules for the coming year.

The students at T.H.S. gratefully acknowledge their thanks to the ones who care, the Guidance Staff.

Mrs. Hagy talks with Vicki Hankins about her permanent record.

Linda Whittaker

The campuses of Radford College and William and Mary College were swarming with delegates to Girls and Boys State who were selected from schools all over Virginia. During a busy week, they learned the principles of the different levels of government and put them into action by electing an attorney general, lieutenant governor and a governor, along with other officials. With the aid of interesting speakers, programs, and lectures, the week-long citizenship program passed quickly. Girls and Boys State will continue to be an unforgettable experience for those who attended.
